Animals will be sold by consignor in each class. All animals, unless otherwise noted, will be sold gate cut at loadout if less than the entire lot is purchased.

**Terms and Conditions:** Cash, cashier's check or bank money order will be due at the conclusion of the auction. Personal checks will be accepted only if accompanied by a bank letter of credit stating a specific amount the bank will guarantee or by prior approval of the sale management. No animals to be removed until settled for. Online buyers should be prepared to do a wire transfer of funds on Monday, December 10. All animals from all consignors will need to be removed no later than Saturday, December 22, 2018. Please be prepared to make load out arrangements at time of purchase.

**Health:** Please see individual lot listings for health information on animals. If additional testing of animals is required for transport, it must be agreed to with the consignor and will be at the buyer's risk and expense.

**Loadout:** Buyers are responsible for making arrangements with the consignor for a loadout date and time. If additional days are needed beyond the 14 day loadout grace period, the buyer will work directly with the seller to establish those dates.
